GROUND TRUTH FOR GLOBAL DECISIONMAKERS

Dispatch Risk Advisory *was founded in 2020 by former U.S. federal law enforcement and intelligence professionals to provide high-impact, boutique risk advisory services to leaders operating across the globe.*

OUR CAPABILITIES

Risk Assessments and Market Entry

- Security assessments for facilities and programs before you commit capital
- Risk ratings calibrated your specific operations
- A clear playbook for reducing exposure with local connections and insights

Due Diligence and Reputational Risk

- Ground-truth checks on partners, vendors, and individuals
- Local source verification in places where public records do not exist
- Asset tracing in non-digitized and low-transparency environments

Risk Intelligence and Threat Reporting

- Geopolitical reporting addressing your key business questions
- Street-level insights for boardroom decisionmakers
- Complex threat analysis for global supply chains

Contingency Plans and Crisis Support

- Security advisory and evacuation plans built for your specific site and staff
- Contingency planning and stress-tests across a range of threat profiles
- Direct, expert crisis support, integrated into your business structure

OUR TEAM

Ben Todd *is a former CIA Officer and diplomat with counterterrorism expertise, and a former Risk Manager at a global bank, with a career spent operating in dynamic environments around the world.*

Adrienne Todd *is a trusted international problem solver. She is a former FBI Special Agent and fraud investigator with extensive cross-jurisdictional experience on complex cases.*
